Dear Mr. Pettit:

Re: Lower Jordan Dist. Sys.
Account 28-83

I was sorry to hear of the difficulty you are having concerning your irrigation ditch.

The state law does not give the State Engineer authority to intervene in problems of this kind between water users.

I do believe the law provides protection against destruction of ditches, but you would have to contact an attorney to find out what legal recourse you have.

I hope you will be able to work things out to your satisfaction.

Sincerely,

Lee H. Sim, P. E.
